**Hair/makeup must be done in dressing areas, not in bathrooms.** Plan accordingly and bring a small mirror if you don't already carry one.

**School rules for electronics will be enforced.** If we see it, we will confiscate it and give it to the administrator on duty that night. Electronics ban will be enforced between 6:45 pm and the concert's conclusion.

**Parents** will be assisting in the **supervision of backstage**, for dinner, in the hallways and in the changing rooms. Please treat them with respect; any student who does not do so will be appropriately disciplined.

Please treat the rooms with respect and act with dignity at all times while at this location.

If you disrespect the space or other members of groups, the consequences will be severe. Please remember that all student board members are acting in response to direct instruction by Ms. K. Any student demonstrating lack of respect or willfully disregarding directions will be referred to the administration and will incur a loss of points for the evening.

No PDA's, please (public displays of affection). Ewww.
